

Part 1 — Decide

Is Vietnam right for you? Answer these honestly before you spend a dollar on the move. Both partners, separately, then compare.

- ☐ Both partners answer Chapter 1's ten questions, **separately**, then compare
- ☐ Wet Tuesday test honestly passed (Q10)
- ☐ Budget built from Chapter 2's tables at your tier, +10%, ×12, plus setup months
- ☐ Shortlist of two cities (Chapter 3): favourite + most different plausible alternative
- ☐ Visa reality understood and accepted: no retirement visa; the ninety-day rhythm or an official path (Chapter 4)
- ☐ Plan B named and costed: another country, or home

The test that matters. Not “could we be happy in Vietnam on a good day?” — anyone can. It is Chapter 1’s wet Tuesday: an ordinary, unglamorous, raining Tuesday in the third year. If that day still works, keep reading. If it does not, the book has done its job just as well.
